THE IMPEACIMENT QUESTION.

Among the arrivals at the Clay-stre

The excitement on the subject of the impeachment question still continues. It is beight-medit for the strengthening of the impeachment question still continues. It is beight-medit for the property of the Judiciary Committee and a root in preadment. There is no doubt that this will prove to be the case. Churchill, of New York, has anotherly joined the impeachment of the timpeachment of the dudiciary Committee, and as one of the dudiciary Committee, and as one which he was a timpeachment, that he always liked to make any proper and in the longed be could do so to-morrow. Well," said Law sproper and in the longed be could do so to-morrow. Well," said Law sproper and in suppeachment, the extrement of the suppeachment of some kind of a powder into the somp mon Pleas can force them to do so by a the movements of Matilda Craig, eat majority report will be for impeachment

so much interest. General Grant was examined July 18, 1867, and testified as any course myself, any more than that I follows:

"I have seen the President very frequently in reference to the condition of uffairs in the rebel States. When I was asked to be at a Cabinet meeting it was because some question was np in which, as General of the army, I was interested I am not aware of interviews with the President of at on amnesty. I thought myself at that time that there was no reason why, because a person for amnesty. I thought myself at that time that there was no reason why, because a person had risen to the rank of a General, he should be excluded from amnesty any more than hat I related to the Amnesty and the president of the president of the rank of a General, he should be excluded from amnesty any more than hat I related to the president of th

the rebellion must be punished, and that treason must be made odious. He cared nothing for the men in the ranks; the common men he would let go, for they were led into it by the leaders.

Of Week that were reasonable to the Preside to the Preside

It was subsequent, I think. rging the President to go further in untug amousty than he had gone in his colamation?

A. Just as I said before, I could not see General Grant and John Hancock.

NUMBER 114.

A. I do not recollect wheth r it l r oct. I do not know that I tated the irrumstances to the Preside t
Q. Do you recollect signing the recommendation of M. D. Ecton, a rebel Brigan

and with reference to the twenty-thous and with reference to the twenty-thous and dollar clause, I thought that a man's success in the world was no reason for his success in the world was no reason for his being excluded from amnesty, but I recollect afterward saying to the President that I thought he was right in that particular and that I was wrong.

Q. Was that said to you in conversation?

A. I have heard him say it a number of times; he said it to me and he said it in my presence at the time that delegations were coming up to him from the South.

Q. What persons do you recollect as being present at the conversation—I mean what Southern men?

A. I did not know them at all. I recollect that on one occasion he talked to a left that on one occasion he talked to a laboration from Richmond in that way, I don't think I recommended him, but I may have done so.

Q. Do you recollect Rady and A. Yes, sir.

Q. Did you reconstitution, or make an application, or make a recommended him say time not rec. Is there.

By Mr. Bouwell—Have you heard him say that as defrom his spee hes, in conversation. I cannot say just when, it was probably a not that same time.

Q. Have you heard him say that a said from his spee hes, in conversation. I cannot say just when, it was probably a not that same time.

Q. Were you acquainted with him previous to the breaking ont of the war.

A. I did not know them at all. I recollect that on one occasion he talked to a laboration from Richmond in that way, I don't think I recommended him, but I may have done so.

Q. Do you recollect P D Roddy, saider of the conversation of the war and that I would they not be the Congress. I heard him say that a saide trom one recurs when a time one of two speeches. Py Mr. Bouwell—Have you heard him say that any take a remark kinded to that elsewhere?

A. Yes, sir.

Q. Did you recommended him pard n, but I am not sure. I know that he sent his application, or make a recommended to that elsewhere?

A. I have heard him say that a number of the war, as any man's could

sex, they were not subject to be tried by lound afterward they were ready enough and they were not subject to be tried by lound afterward they were ready enough to take them.

A. That was my opition. I will state the entart I am not quite certain whether I am not trying anybody. I am inquiring as to the President's proclamation, and as to the views he enter it in the lound and set the views he cannot require that the stated these views to the President frequently, and, at I have said, he disagreed with me in these his wise. He red is the put shed, and wanted to know when the time would come that these put when the time would come that these put when the time would come that the put when the time would come that these put when the time would come they violated their parcie.

A. No, sir. It applied to no person who was captured; only to those who was contending for the put when the time would come that these put when the time would come they violated their parcie.

A. No, sir. It applied to no person who was captured; only to those who will consider the parcel while General Lee had given would will be parcel while General Lee had given would be the parcel while General Lee had given would be the parcel while General Lee had given would be the parcel while General Lee had given would consider the parcel while General Lee had given would collect the parcel while General Lee had given would be parted for treason?

A. No, sir, It applied to no person who was captured;

Not since about two years. I lave you at any time heard the Prester make any remark in reference to
g admission of members of Congress
the rebel States into either house?
I can not say, positively, what I have
I him say on that su ject. I have
I lim say as much, perhaps, in his
i ches last summer, as I ever
y at all upon that su ject. I
have the say the summer is a lever
has between the summer of the say the say

between gh, to giv them, with the Sonthern mem rs, a m j r 1y, why would they n t e the Congr s of the United States. I hav heard h m say that several times. By Mr Wi am —W en you say the N gth you m as the Democratic party of the N rth, or, in other words, the party v rang h po cy?

A. I mean if the North carried enough members in favor of the admission of the Sout. I did not hear him say that he would recognize them as a Congress. I named.

Q. lo you recollect Lloyd J. Ivean
Beall?

A. I do not recollect any such person
as John Hancock, or the gentleman
named.
Q. lo you recollect Lloyd J. Ivean
Beall?

Lean would they not be the Congress. I mere'v heard him ask the question why
would they not be the Congress. I heard
him say to at in one or two speeches. I heard
him say to at in one or two speeches.
